

Ensemble that Enhances Worship

Synopsis

Looking for a better sound from your worship team? Yearning for a more effective rehearsal procedure, plan and concept? Wish your players had a better understanding of what is needed? Have your worship team(s) experience ideas that will develop individual understanding needed to rehearse effectively. Workshop includes discussion and application of biblical template.

Who will benefit from this workshop?

- The worship team leaders
- Each member of the rhythm section
- Vocalists
- Your sound engineer(s)
